Curriculum Vitae

1. Personal Data

Name in Hebrew: פרופ' קשת יעל
 Name in English: Keshet Yael, Prof.
 Department/School: Sociology
 E-Mail: yaelk@wgalil.ac.il

2. Education Certificates and Degrees

<u>Education</u>	<u>Institute</u>	<u>Department</u>	<u>Year</u>
First Degree	Ben Gurion University	Biology	1986
Second Degree	University of Haifa	Sociology and Anthropology	2000
Third Degree	University of Haifa	Sociology and Anthropology	2006

3. **Title of Doctoral Thesis:** Knowledge in the medical discourse: Healing and therapeutic efficacy of complementary and alternative medicine.

Supervisors: Prof. Yuval Yonay

4. Academic Ranks

<u>Rank</u>	<u>% Position</u>	<u>From</u>
Associate Professor	100%	07.06.2015 - current
Senior lecturer	100%	01.02.2011 - 07.06.2015

5. Research Grants

<u>From-To</u>	<u>Funding Agency</u>	<u>Title of Research</u>	<u>Amount</u>	<u>Names of Research Partners</u>
Nov 2016 - May 2018	NIHP	Medical neutrality, inclusion and difference: The question of policies that address ethnic tensions and racism directed at Arab medical personnel in health organizations in Israel	126,379 NIS	Dr. Ariela Popper-Giveon

6. Scientific Areas of Specialization

Sociology of medicine
 Medical anthropology
 Qualitative research
 Sociology of medical organizations
 Sociology of medical knowledge

7. Academic Profile

Prof. Yael Keshet serves as Chair of the Sociology Department at Western Galilee College, Israel. Keshet's ongoing research interests center on the sociology of medicine. She is presently researching ethnic diversity and tensions in healthcare organizations, in the context of fierce and extended national conflict; racism toward ethnic minority health professionals; and processes of complementary medicine integration into healthcare organizations. She has published widely in leading academic journals in the field of social studies and medicine such as *Social Science and Medicine* and *Psycho-Oncology*.

8. Recent Publications
